

## OPPORTUNITY

"Opportunity never has to knock twice at the door of the man who is awake."—R. Spillane.

This is equally true of boys and girls. Those who are awake are ready for every opportunity. Many have found that a savings account often opens the door when opportunity knocks.

How about you? Are you awake? Are you building your savings account against that day when opportunity shall knock at your door?

The Montpelier Savings Bank & Trust Company, Montpelier, Vermont, is always glad of the opportunity to help the boys and girls save. You may deposit by mail, if more convenient.

## THIS YOUNG MOTHER

Tells Childless Women what Lydia E. Pinkham's Vegetable Compound Did for Her

Millston, Wis.—"I want to give you a word of praise for your wonderful medicine. We are very fond of children and for a considerable time after we married I feared I would not have any owing to my weak condition. I used to suffer with my periods before I took Lydia E. Pinkham's Vegetable Compound and now I have a nice strong, healthy baby girl. I can honestly say that I did not suffer much more when my baby was born than I used to suffer with my periods before I took Lydia E. Pinkham's Vegetable Compound years ago. I give all the credit to your medicine and shall always recommend it very highly."—Mrs. H. H. JENSEN, Millston, Wisconsin.

How can women who are weak and sickly expect or hope to become mothers of healthy children? Their first duty is to themselves. They should overcome the derangement or debility that is dragging them down, and strengthen the entire system, as did Mrs. Jansen, by taking Lydia E. Pinkham's Vegetable Compound and give their children the blessing of a good constitution.

## MOTHER!

Move Child's Bowels with "California Fig Syrup"

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful to-day may prevent a sick child to-morrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for "babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.—Adv.

There is Strength in Every Tablet

One dose often helps convalescence to enrich your blood and reinvigorate your worn-out exhausted nerves. Headache, nervousness, indigestion, like the lion in your blood and like the lion in your blood, it is so prepared that it will not irritate the bowels nor disturb the stomach. It is ready for almost immediate absorption and assimilation by the blood while some physicians claim metallic from which people usually take is not absorbed at all. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nutrilite—three times a day, after meals for two weeks. Then test your strength again and see how much you have gained. Your money will be refunded by the manufacturer if you do not feel perfectly satisfactory results at all stages.
